

The Kanso MCT product selection is a high-quality source of MCT with advantages in fat profile, taste, practical application and more. Kanso MCT provides a beneficial energy source and is indicated in the dietary management of intractable epilepsy, pyruvate dehydrogenase deficiency, glucose transporter type 1 deficiency syndrome or other conditions requiring a ketogenic diet.

Kanso DeliMCT CacaoBar

Description

Food for special medical purposes.

DeliMCT CacaoBar is a very high fat, low carbohydrate, ready to eat, chocolate flavour bar containing a mixture of medium chain triglycerides (MCT) and long chain triglycerides (LCT), protein, carbohydrate and fibre with a 4.8:1 ratio of fat to carbohydrate and protein. Suitable from 3 years of age onwards. With sugar and sweetener.

Indications

DeliMCT CacaoBar is for the dietary management of intractable epilepsy in a ketogenic diet, pyruvate dehydrogenase deficiency, glucose transporter type 1 deficiency syndrome or other conditions requiring a ketogenic diet.

Dosage and Administration

The dosage should be determined by the clinician or dietitian and is dependent on the age, body weight and medical condition of the patient.

Preparation Guidelines

DeliMCT CacaoBar is ready to eat. Can be used in permitted recipes, further serving suggestions and recipes are available on request.

Ingredients

Cocoa butter 30%, medium chain triglycerides 21.2% (from palm and coconut fat), vegetable fibre (chicory inulin, soluble maize fibre), sweeteners: erythritol, sucralose, cocoa powder 6%, **milk** protein, **hazelnut** paste ("Nocciola Piemonte PGI"), natural vanilla flavour. May contain **soya**, lactose (**milk**) and **nuts (almonds)**.

Allergen Declaration

Contains milk protein and hazelnut. May contain **soya**, lactose (**milk**) and **nuts (almonds)**.

Storage

DeliMCT CacaoBar should be stored in a dry place out of direct light, at max. 18°C. If the product is exposed to low temperature, white spots may appear on the surface; if the product is brought back to room temperature, the product will resume its standard appearance.
